Luxury Family Living

Cutting edge design begins on the ground level of this exceptional home with a state of the art, fully equipped Caesar stone kitchen and central courtyard bathed in light.

Expansive formal lounge room plus a spacious combined family and dining area with folding glass doors opening seamlessly to a landscaped rear garden with water tank. Finishing off this level there is a guest powder room and internal laundry.

Whilst upstairs comprises of three spacious bedrooms, two with built-ins whilst the main suite boasts a luxurious en-suite and custom built-in robe. This is a must to inspect.
