Luxury Family Living

Be amazed with the cutting edge design of this exceptional home! Stylish and spacious, this home presents an expansive formal lounge room and combined family and dining areas with folding glass doors that open seamlessly to a beautifully landscaped rear courtyard with water tank and clothes line. The state of the art Caesar stone kitchen is equipped with dishwasher and gas cooking. Also at the ground level are ducted air conditioning, guest powder room and internal laundry.

Upstairs are three bedrooms, all with own built-ins and reverse cycle air conditioning plus the top floor attic home office or fourth bedroom, perfect for a teenager wanting their own space, with vaulted ceilings and own reverse cycle air conditioning. Main bathroom with shower whilst the main bedroom also boasts a shower ensuite, custom built in wardrobe and front facing balcony. Other highlights include timber flooring, carpet and on street parking.
